RE: Case # 08 CV 00488

Hello;

We would like to file a motion of dismissal for the summary judgment of \$29,917.50 against American Heritage Furniture, Inc. American Heritage Furniture, Inc. did file a response to plaintiff's attorney in the allotted time period as specified on court document.

We request a re-scheduling of court date April 8<sup>th</sup> at 2:15pm; to any later date which will conform to court schedule and convenience. There has been no previous request for extension or rescheduling.

At that time, American Heritage Furniture, Inc. is prepared to argue that NYK Line uses deceptive pricing practices, was unable to provide service as promised to American Heritage Furniture, Inc. and hence has caused irreparable long term monetary damage to the past, present and future wholesale business division of American Heritage Furniture, Inc.

Enclosed as follows:

- 1) communication with plaintiff's Attorney
  - a) Letter sent
  - b) Proof of delivery
  - c) Copy of front page of our court document

Thank you for your kind consideration.

Sincerely,

Laurence Doyle,

President American Heritage Furniture, Inc.
